Sir,

Our club's 11th Aurangabad Mahotsav Ruturang & Kaladalan 2017 begins on 17th February, 2017. The four day event presents **worldwide classical Music, dance, folk dance and crafts exhibition** exhibiting handicrafts. This event is becoming very popular in Aurangabad. The entry to this program is free and it is open to public. The event will be organized at Maharashtra Tourism Development Corporation's prestigious venue **Kalagram**.

The four day event is followed by two days **International Peace & Goodwill Summit**. The week long Rotary Day Celebration will conclude on 23rd February (Rotary's Foundation Day).

Since 2007, every year in February, this mahotsav is consistently organized by our Rotary Club.

The Mahotsav is given wide publicity through Rotary Clubs worldwide and we invite Rotarians and their friends to visit Aurangabad for this program. During their stay at Aurangabad we arrange their visits to Ajanta, Ellora and other historical places in and around Aurangabad.

The Mahotsav gets good publicity through local print & electronic media.

The objectives of the event are:

- To help promote Tourism & familiarise the visitors with the Marathwada's Regional Capital in order to attract more tourists towards the region. **The Mahotsav will acquaint the tourists with world heritage sites Ajanta & Ellora.**

The Daulatabad Fort, Bibi-ka Makbara, Aurangabad Caves, Tomb of Moghul Emperor Aurangzeb, Darga of Zar – Zari – Zar Baksh, Jaikwadi Dam & Dnyaneshwar Udyan (Garden) are equally important sites where the visits of visiting Rotarians are arranged.

- To promote **Goodwill and Better Understanding** and cordial relations among people of different Countries.
- To create business & vocational opportunities. A good number of domestic & foreign tourists visiting Aurangabad from various parts will generate business opportunities for local people engaged directly / indirectly in tourism industry.
- To help promote local handicrafts & and also invite artists from different parts of our country to exhibit their articles crafts in the four day crafts exhibition organized during this mahotsav.
- To help promote Aurangabad as a potential destination in the field of Music besides industrial development in the country.
- To provide opportunity to local talent, to participate, and perform in presence of world class artists and learn from them.

What we expect from you:

- We expect you to organize a 60 to 90 minutes program presenting Iran's classical music & folk dance.
- Iran's craft stall displaying handicrafts.

What we will provide:

- We will provide stage, sound, light and wide publicity of this program with no cost to you.
- Press coverage of the event.

We hope you will consider our request. An early action is appreciated.

Yours sincerely

For Rotary Club of Aurangabad Metro
