Thank you for inviting me to The Asian Cultural Dialogues on Cultural Diversity and Cooperation conference to be held on 13-15 January 2018. I hereby confirm my attendance at the conference. Based on your suggestion I will present a paper in Panel B. The title of my paper is "Cultural Cooperation between Iran and the Indian Subcontinent: Challenges, Obstacles and Recommendations".

This paper will focus on historical relationship of Iran with India, Pakistan and Bangladesh and explore political, social, cultural and diplomatic dimensions of this relationship. The paper will try to identify faith-based, ideological and political constraints in promoting cultural cooperation between Iran and the Indian subcontinent. Issues relating to cultural exchange and dialogue will be addressed. The paper will end with concrete suggestions and recommendations regarding how to foster and promote cultural cooperation, friendship and ties between Iran and the Indian subcontinent.

I will submit the final paper by December 20.
