

Rev. Prof. Dr. Ioan Sauca

The Honorable Acting Secretary General of the World Council of Churches

Dear Rev. Sauca,

While expressing my heartfelt greetings and respects and wishing the best of health for Your Reverend and my dear friends in the World Council of Churches, this is to acknowledge the receipt of your letter dated 8 March 2021.

First of all, I would like to once again express my thanks and appreciation for the sympathy of those dear brothers with the zealous nation of Iran during the times of their problems and sufferings that they have been facing as a result of unjust, unilateral, and inhuman policies of the existing imperialist and hegemonic system.

As regards the Church Cemetery of our fellow Christian compatriots in the city of Tabriz, this is to inform Your Reverend that I held some talks with the authorities of this city who ensured me that as of present no changes have taken place in the earlier rules and regulation of the Province in this regard. As you know, we are still in the middle of Nowruz and New Year holidays in Iran these days, and God willing, this issue will be followed up again after the holidays, and a detailed report will be provided to Your Reverend.

I pray to God Almighty for the health and prosperity of my brothers and sisters in the World Council of Churches.

Sincerely,

Abouzar Ebrahimi
