Assistant Professor
Head of Faculty of Theology
University of Ljubljana

Dear Dr. Mari Joze Osredkar

Congratulations on the auspicious birth anniversary of Jesus Christ, Messenger of peace and fraternity, and the New Year 2020.

I hope we would celebrate joint initiatives for boosting spiritual and ethical values in the world in the New Year.

Obviously, moving in that direction will result in achieving peace, justice, spirituality and human values. These highly valuable components will gain satisfaction of all individuals, and beyond that, will help us win God's satisfaction.

I seize the opportunity, Your Excellency, to extend my congratulations to other colleagues at the University of Ljubljana.
