RE: BOOK ON SHIRAZ AND BALUCH IN TANZANIA

The Cultural Centre of the Embassy of the Islamic Republic of Iran in Tanzania likes to offer your Institution a gift of copies of a history book on Shiraz and Baluch in Tanzania.

The book has described with pictorial presentation the history of settlement of these two ethnic groups from Iran to East Africa which now constitutes a large and effective community in the region.

The book is the result of the great efforts made by the Tanzanian author and researcher Charles M. Kayoka from the Department of Creative Arts, University of Dar es Salaam.

We believe that through this book we will strengthen brotherhood and co-operation between Iran and East Africa countries, especially Tanzania. Please let us know when you get the book and if more copies will be needed.

With Best regards

Abbas Farmand
