

Questions about Learning English in Iran

I would like to thank you in advance for taking time to answer these questions.

1. Do you think being male or female can affect your attitude towards learning another language?
2. Most English textbooks describe the life style and different situations in western countries, how does this affect your learning in Iran?
3. How many languages can you speak?
4. How do you learn those languages? (e.g., self-study- parents, language school)
5. How long have you been studying these languages?
6. Are you enjoying learning these languages?
7. Why are you learning these languages?
8. Is it difficult to learn a foreign language in Iran?
9. Do the textbooks you use, satisfy your needs?
10. What aspects of language learning is most difficult for you? Reading, writing, speaking or listening and why?
